High School Information Nights Coming to a School Near You

Is your child starting Grade 9 next year? High school information nights are happening this winter. This event gives an overview of what's new, what to expect, as well as a chance to check out the school and ask questions. Attend our local high school information night to find out what's offered at Georgian Bay District Secondary School on February 21, 2018 from 5:30-7:00 pm. Check out the full schedule of info nights and more information at www.scdsb.on.ca/highschool.

First Semester Report

Attached is your teen's first semester report. This covers the courses taken between September 2017 and January 2018. If you have any questions about the final grade, learning skills or comments, please contact the teachers. (For teachers on leave, contact the office)

Get a Good Start for Semester 2

Now that the results of your student's effort in Semester 1 are clear, it is a good time to develop habits for Semester 2 success. Communication with teachers about a student's progress is an important strategy. Email addresses for our teachers are included in this newsletter. Also, ask to be connected to your student's online account so you can check attendance and marks. See the Parent Portal section in this newsletter for information. In addition, extra support can also be arranged through Student Services, Special Education and Student Success.

Failed a Course? Now What?

Some students were unsuccessful in a course in Semester 1, and they may be able to make it up:

- through credit recovery – Student Success Team will contact students who are eligible.
- in summer school - call or drop in to Student Services to speak to a guidance teacher about your options.

Course Selections

Over the next four weeks, all students will be selecting courses for next year. Again this year, students will be making their course selections "on-line", meaning they can do it from home if they wish. We encourage parents to be involved in this process: talk to your teen about their long term plans, courses they need and courses they would like to take. Once each student has selected their courses, we will send home a printed copy with the interim report card for parents to review.

Course selections are due Monday, March 5, 2018. If you wish to request changes, please feel free to contact Student Services at 705-526-7817 ext. 41961.

Community Involvement Hours

We would like to emphasize the importance of completing **40 hours of Community Service** and getting completed community service sheets to Guidance as soon as possible so that this important graduation requirement may be recorded in the student's records. 40 hours committed to giving to the community can be easily achieved if started in Grade 9. There is a graduation award for community service hours, get as many as you can to be eligible.

Students in **Grade 12** are encouraged to complete their service hours ASAP and **hand in the required documentation so that graduation dates are not delayed.**

Land/territory acknowledgement introduced for SCDSB, meetings, events and schools

Over the past few months, the SCDSB has worked with Indigenous partners, local elders and the First Nations Education Advisory Committee to develop a land/territory acknowledgement. A land/territory acknowledgement is an act of respect and reconciliation, based on the First Nations' tradition of Land/territory acknowledgement introduced for SCDSB meetings, events and schools acknowledging the land of others when they were guests in that territory. The statements will be used at SCDSB meetings and significant events, and daily in all schools to respectfully acknowledge the Indigenous people of this territory, their sharing of the territory and the benefits we have received, as settlers, from that sharing.

Graduation Retake

The final day for grad photos and grad retakes is April 4, 2018.

Appointments can be booked online at www.bookmygrad.ca

The school code is GBY

If booking a retake, please remember to return your proofs to the photographer.

Rotary Student of the Month – Above and Beyond Award

The following students were chosen by the GBDSS staff and honoured by the Rotary Club of Midland for their positive impact as a role model and a reflection of their hard work and commitment to GBDSS.

Congratulations!

September – Chantal Drebot

October – Aaron Sibley

November – Dustin Barkley

December – Sawyer Lawley

January – Casey Curran

Bus Notes - Transportation

Bus riding is a privilege, not a right. All students must be safe while riding the school bus. Changes in bus stops can only be arranged through the school on an emergency basis. Applications for permanent bus stop changes must be made to the Simcoe County Student Transportation Consortium (SCSTC) through the school Principal. Please contact the Principal if further information is required. **For safety and insurance reasons, the Board does NOT permit students to ride buses other than their assigned one, except in emergencies. Situations involving sleepovers, music lessons, part time jobs, working on a school project, etc. do not qualify as emergencies.** Bus transportation policies and procedures may be viewed at your school or by accessing www.scdsb.on.ca

Your Top Eight Snow Day Questions Answered

Bus cancellations and snow days are inevitable in Simcoe County. Each time buses are (or aren't!) cancelled, the SCDSB and the Simcoe County Student Transportation Consortium (SCSTC) receive many questions from students, parents and community members. Check out the *Sharing Simcoe* blog for the top eight questions and answers - visit www.sharingsimcoe.com and search for 'snow'. Remember to follow the SCSTC on Twitter @SCSTC_SchoolBus for bus updates and cancellations.

SCSTC & GBDSS on Twitter

Simcoe County students and parents can follow @SCSTC SchoolBus for timely updates on school vehicle cancellations. Follow @GeorgianBay_DSS on Twitter for school updates.

With the winter weather season in full swing, everyone is also reminded that this information can also be found on the SCSTC website at www.simcoecountyschoolbus.ca. Efforts are made to post and announce school vehicle cancellations between 6:00 and 6:30 a.m. on the SCSTC website (www.simcoecountyschoolbus.ca) and via Twitter @SCSTC_SchoolBus.

Subscribe to receive school bus delay notifications. Did you know you can subscribe to receive school bus delay notifications from the Simcoe County Student Transportation Consortium? Sign up on the Consortium's website: <https://scstc.ca/Subscriptions> and remember that you can also follow the Consortium on Twitter @SCSTC_SchoolBus.

PARENT PORTAL GIVES PARENTS REAL-TIME ACCESS TO ATTENDANCE, GRADE INFORMATION

The SCDSB Parent Portal is a secure online tool that provides parents/guardians (of students less than 18 years of age) with quick access to their children's attendance and, in secondary school, grades. The program includes the option to sign up for email notifications. It will be available at all Simcoe County District School Board schools.

To access the Parent Portal, parents/guardians will need their child's Student Number, which can be found on the Student Information Verification Form, or a recent report card, as well as an Access ID. The Access ID is provided in a sealed letter in the instructions on how to create an account. Letters were mailed to all parent/guardians in September 2017, and to new student parents/guardians after Semester 2 startup. If you did not receive this information and would like to access this online tool please contact the main office.

OSSLT Preparation

Grade 10s and any other eligible students will be writing (no online version) the Ontario Secondary School Literacy Test (OSSLT) on the morning of Tuesday, April 10, 2018. A change in transportation will allow students who are not writing the test to arrive 3½ hours later in the day so all students can attend afternoon classes. Bus information will be distributed to students in early March via a letter home. Classes will begin that day at 12:35 p.m., and GBDSS will have all four periods condensed into a reduced day. Students and parents can learn about the test and look at sample questions by following the links at the Education Quality and Accountability Office website: www.eqao.com. Please see attached for further information regarding the Literacy Test.

EQAO Math

All grade 9 students taking Applied or Academic Mathematics this semester will be writing the EQAO Mathematics Assessment in June. Resources are available at www.eqao.ca and through your student's mathematics teacher. The Assessment is worth 10% of your student's final mark, so **please start preparing now!** Any questions should be directed to your student's mathematics teacher.

Student Council

Student Council meets every Wednesday at lunch to plan events that enhance the lives of our students at our school. These events include spirit days, free hot drinks, coffee houses, dances, and friendly staff-student competitions. All students are welcome to take part in the meetings. If you want to help make GBDSS a fun place to be and learn, join us.

From the Arts Department

**There's SO MUCH AWESOMENESS happening in our Arts Department.
Check out all the amazing stuff we've got coming up this spring!**

GBDSS Presents *Band2Gether: A World Premiere Mashup Musical!*

Get Ready to Sparkle!

We are busy preparing our amazing **MASHUP MUSICAL for April 11-14**. Featuring boy band and girl band hits from the 1960s to the present day, this show is all new with musical mashup arrangements and a script that we have created entirely at GBDSS - just for YOU!

SEEKING DONATIONS!

We are seeking items for our costumes! ATTENTION all crafters, sewers and shiny happy people! We would eagerly accept any of these items:

- White or shiny silver clothing (dresses, skirts, shirts, pants), especially anything with a little bit of sparkly bling
- Sequins, rhinestones, gems, embellishments, sparkles
- A bedazzler
- High heeled shoes that are sparkly, or any plain ones that you don't want back that we can bedazzle

GBDSS Drama Department Presents *The 39 Steps: A Live Radio Play*

(Footsteps. A gunshot is heard. The music roars: Dun dun DUNNNNNNNN!)

Drama students are preparing a production of ***The 39 Steps: A Live Radio*** play to compete in the National Theatre School **Ontario Drama Festival** in Barrie at the end of February. (This festival was formerly known as the 'Sears Drama Festival.')

A fun production **directed by student Neil Henderson**, this production restages the Hitchcock classic thriller *The 39 Steps* as if done in a live radio broadcast in the 1940s. Come see students create all the sound effects and bring the many characters to life (and death!) - right in front of your eyes!

Family and friends are invited both to the competition performance in Barrie and the public presentation at GBDSS.

Tuesday, February 27: Bear Creek Secondary School, Barrie Time TBD

Wednesday, February 28: GBDSS, Midland 7pm

GBDSS Bands Are Blowing Away the Competition

On March 1st and 2nd our Junior Concert Band and Senior Stage Band are heading to Collingwood to participate in **Musicfest**. With a win there, they'll be off to nationals! Good luck Bears!

GBDSS is also pleased to host the upcoming **Band Night** as part of the **Midland Ys Music Festival**. The showcase of elementary and secondary school bands from North Simcoe will be held on **April 30th**. All are welcome!

Mark Your Calendars!

Other exciting arts events happening this semester!

May 23rd - Spring Arts Showcase, GBDSS

May 24th - High Art 18 Opening Gala, Quest Art Gallery, Midland Cultural Centre

Costa Rica

The GBDSS Science Department is ready to go to Costa Rica with 17 students, this March. The trip is called "Lessons in Tropical Research" and is a biology-focused tour of the major regions of Costa Rica. Travelers will spend a day in the laboratory facilities at a major Central American university, hike around volcanoes, observe sloths, snakes and monkeys at a national park and learn about insects and bats during guided evening hikes. In addition to cultural immersion, the GBDSS travelers will also learn about Costa Rica's balance of ecological sustainability and economic growth, as they visit chocolate factories and tour fair-trade coffee plantations. Bon Voyage and Pura Vida Bears!

Science Club

The GBDSS Science Club meets every Monday at lunch, in room 132. Students from all grades, timetables and experience are welcome. Come out to meet some other young scientists, learn to lead and explain laboratory activities and experience science-focused field trips.

Iceland 2019 International Trip:

A group of GBDSS students will travel to Iceland in 2019. Students will fulfill curriculum expectations for up to 17 courses in Science and Geography while on this 6 day trip of a lifetime! This is no vacation!

Students will experience the natural wonders of Iceland - the Blue Lagoon hot springs, volcanic craters and subarctic fauna. They will connect with the people of Iceland and experience their unique culture and landscape, like nowhere else on earth!

Students are currently working hard to fundraise for this trip with Purdy's Chocolate sales and coming soon, Little Caesar's pizza sales. Please support our students with a small purchase, or watch for future fundraisers as we work towards our goal.

Little Caesar's Pizza Fundraiser

On March 2, students on the Iceland 2019 Trip will be kicking off a Little Caesars Pizza Kit fundraiser with a delivery date prior to Easter weekend. With the Personal Pizza Kit everyone can enjoy making their own personal pizza with their own favorite toppings (9 - 6" pizzas in this kit). Have them on hand for easy dinners, practice & game nights and impromptu visitors. Eight kits are available, including pizza, crazy bread and cookie dough.

Orders and payments due by March 20. Delivery to sellers is April 5.

Don't know a student going on the trip?

Go to PizzaKit.ca

Click on *Products*, then *Shop*

Click on *Purchase & Support a Local Fundraiser-Ship Items to the Group*

Enter the **Fundraiser ID#346825** and place your order using a credit card.

Your order will arrive with the school's order in April.

Thank you for your support and participation in this fundraiser.

Get \$3,000 this summer to run your own business

Paul Santos from the YMCA will be visiting GBDSS students February 23rd to tell them about this awesome opportunity. The Summer Company Program pays students up to \$3,000 to run their own business during summer months. Open to students ages 15-29.

Make Your Pitch Contest

Inviting all **Dragon's Den** enthusiasts! Pitch your two minute video describing your business idea for a chance to win one of many prizes. Top videos are automatically accepted into the Summer Company Program. Two minutes. That's all it takes. See Ms. Duguay or visit makeyourpitch.ca to learn more!

Order your Spirit Wear!

GBDSS spirit wear is now available online! Visit your School Cash Online account to check out merchandise and sizing. Orders are made at 4pm the last day of each month and will arrive at the school middle of the following month.

An Entrepreneurial Adventure!

Grade 9 Business Studies students have finished their first production run of a new chocolate bar called UpLift to help promote mental wellness in youth. Run as an ongoing Biz Studies project, Grade 10s will now pick up where they left off during Semester 2, with focus on marketing and selling the bars. Chocolate bars will be on sale during Parent Info Night on February 21st.

Thank you to the following people & organizations for their amazing support in getting this project started:

- Chris Gooding (PopHeart.ca)
- United Way
- Megan Wojtowych (wrapper design)
- Gr11 students Hope Adams, Abby Williams
- Student Jake Deakin (graduated)
- Midland Copy Shoppe
- The Learning Partnership

We welcome partnership opportunities! For more info, contact tduguay@scdsb.on.ca!

From the GBDSS Learning Commons

Please return Semester 1 books – Semester 1 Library books and materials are now past due. Please return all materials to the Library so that other students enjoy them too!

Books! DVDs! Audio CDs and much more!

We have a wide variety of reading materials for leisure or for research . You can also borrow DVDs and audio CDs for home use. Don't see what you need? Make a suggestion to your friendly librarians. We will make every effort to get it into our collection!*

Relax at the GBDSS Learning Commons

We offer a wide range of options for student to relax. Grab a book and read in one of our comfy chairs, colour in adult colouring books, make or tinker in our Maker Space or play a game of chess with a friend. There are areas in the Learning Commons where "themed" books are located such as Indigenous or gender based.

We now have a relaxation and meditation room! This room is available as a quiet space for individual students to relax, meditate or pray. It is a welcoming, multi-faith safe space. Please see a Librarian to book the space. *Find yourself at the GBDSS Library/Learning Commons!*

Home access to our subscription databases

Need to complete your research at home? Now you can access all of our subscription databases at home. Just go to our school homepage and click on the large Library Databases button.

To Login: **username:** gbdrocks **password:** growl

This is a paid subscription for the use of GBDSS students and their family. Elementary siblings are welcome to use the databases. Please do not share this info with students from another school and please do not post our login information on the web.

Databases include:

- eLibrary Canada: a general reference
- History Study Centre
- Literature Study Centre
- SiRS Issues Researcher: current topics and pro/con arguments

Code My Robot Challenge

GBDSS is participating in the CodeMyRobot.ca Challenge this semester! This challenge will be the first virtual 24/7 competition across Canada, aimed at finding and celebrating the best practices in coding and robotics among students. Currently, there are 36 schools registered to participate in the online challenge. The CodeMyRobot project is a "pay it forward 21st Century skills initiative" that wants to give every student access to coding and robotics. We will be using two Carl6 robots for the competition that were built and donated to GBDSS by Carleton University, and partnerships with computer engineering classes. This initiative is made possible by sponsors and donors that have provided many prizes to win for coding submissions. Our first task will be to code the Clock Challenge! Students who are interested in learning more about this coding experience are asked to contact Mrs. Coughlin or Mrs. Bumstead.

Horticulture Club

This winter, the Horticulture Club has maintained a number of plants in the greenhouse, despite the low temperatures and reduced light. The front entrance planters have been pulled in to revamp for the spring. We have had a number of student volunteers helping with watering and maintenance of these plants. We hope to start some seeds and seedlings after March Break.

Thank you to all the students that helped out in the gardens and the greenhouse in the fall - this is your work we are showcasing in our gardens for everyone to see! Students are welcome to participate in the club, even though it's winter - there's lots to do! Follow us on Twitter @gbdsshc or our website at www.gbdsshorticultureclub.wordpress.com. We always welcome donations of cash, gift cards for garden centres, and various tools to help us in the gardens. Contact Mrs. Bumstead to get involved.

School's in for summer at the SCDSB

Are you and your child planning their courses for next school year? Looking for a way to create flexibility in their timetable and earn a credit? Consider summer school!

Each year, the SCDSB offers a variety of summer programs to over 2,000 students. Summer school options include open, college and university level courses from Grades 9 to 12. Courses are offered in-person or online. Interested students can also travel and earn credits with the summer EduTravel program.

Summer school program details can be found on the Learning Centres website at www.learningcentres.com. Current SCDSB students should speak to their guidance counsellor for information and to register. Register now so that your summer school choices align with course selection for next year!

Register now for Night School (Semester Two) to complete high school, prepare for post-secondary education

Night school at the Barrie Learning Centre offers secondary school credits in a variety of subjects for students completing their Ontario Secondary School Diploma and for students who are preparing for post-secondary education. Subjects include math, English, chemistry, biology, physics, social science and history.

All night school courses are offered in a blended format where students attend in-class sessions once a week and complete the remainder of their assigned weekly work online. Students are welcome to access computer resources and meet with their classroom teacher during the office hours of their online night class. Learn more and register at: www.thelearningcentres.com.

Parents invited to information sessions about special education

The SCDSB is hosting a series of information sessions for parents/guardians to learn about special education in the SCDSB, and how to support students with special education needs.

Feb. 19 Transition Planning Grade 8 to 9

March 19 Accessing Supports in the Community

April 16 Understanding Alternative/Non-Academic IEP Goals

All sessions take place from 6 to 7 p.m. at the SCDSB Education Centre, located at 1170 Highway 26 in Midhurst. No registration required.

Questions about your teen's health?

Health Connection offers free, confidential health information from nurses and health inspectors on:

- birth control, sexually transmitted infections, stress, drugs and alcohol, safe food and water, quitting smoking
- health unit clinics including dental, vaccines, sexual health

- web resources for school projects
- community resources for mental health, addictions and quitting smoking

Contact Health Connection at 1-705-721-7520 or 1-877-721-7520 Monday to Friday, 8:30 a.m. to 4:30 p.m., or <http://www.simcoemuskokahahealth.org/>. If English is not your first language, we have a telephone interpretation service.

Information provided by the Simcoe Muskoka District Health Unit

Update your child's immunization record

The Simcoe Muskoka District Health Unit is required to keep up-to-date immunization records for all students who attend elementary or secondary school in the County of Simcoe and the District of Muskoka. Parents are responsible for reporting immunizations to the health unit each time their child receives a vaccine from their health care provider. The immunizations that the health unit requires records for include: diphtheria, tetanus, polio, measles, mumps, rubella, meningococcal, pertussis and varicella (chickenpox) for those born in 2010 or later.

It's easy to update your child's immunization status. Go to www.smdhu.org/immsonline to update your child's record or call Health Connection at 705-721-7520 or 1-877-721-7520 (toll free).

Information provided by the Simcoe Muskoka District Health Unit

Notice to Students and Legal Custodians of Students Regarding Out of Area Requests

Under the Simcoe County District School Board procedures (APM A7000), it is possible for students to apply for and receive permission to attend an out-of-attendance-area school.

Students will be permitted to continue in attendance as long as there are pupil places available. They may be required to return to their home school or transfer to another school when the capacity of the school they are attending has been reached and pupil places are required for students residing within the attendance areas. An approval may also be revoked by the Superintendent of Education after consultation with the receiving school principal for reasons related to the student's behavior, attendance, actions or inactions at a future date. Even with this permission, however, the responsibility for transportation to and from school is borne by the out-of-attendance-area student and/or parent/guardian.

The Gilbert Centre Offers Support Group for parenting LGBTQ Kids and Youth

The Gilbert Centre facilitates the Parenting LGBTQ Support Group, which is a drop-in meeting group for parents, caregivers, family members and friends. Meetings take place every other Wed. in Barrie. The group offers a safe and confidential space for you to share your experience, hear the experiences of others and grow in your abilities to support your LGBTQ child. Meetings are held every other Wed. at 7 p.m. at The Gilbert Centre, located at 80 Bradford Street (Suite 345) in Barrie. For more information, call 705-722-6778, visit gilbertcentre.ca or email info@gilbertcentre.ca.

2017-2018 Secondary School Climate Survey

The Simcoe County District School Board (SCDSB) aims to provide a safe, supportive learning environment that supports all students in being successful. Between February 12 and March 5, all students in grades 9 to 12 will be asked to complete a confidential on-line survey about how they feel about their school. Teachers will supervise the class during the survey's completion and can answer any questions or concerns your child may have.

This year, parents/guardians of students in grades 9 to 12 will also be asked to complete an anonymous on-line survey about how they feel about their child's school.

The survey results will provide valuable feedback to staff related to our SCDSB Strategic Priorities and will help schools to develop and refine their School Action Plans.

Students, parents/guardians and staff will not be asked to provide their names and all responses will be combined to ensure confidentiality.

Similar to prior SCDSB school climate surveys, the questions cover a range of topics, such as:

- the overall tone of the school, often referred to as school climate;
- mental health and well-being;
- equity, diversity and inclusion;
- experiences of school safety and bullying or harassment; and
- questions to assist the Simcoe Muskoka District Health Unit in their Healthy Schools Initiative.

Student Survey

A sample version of the student survey is available at www.scdsb.on.ca. A paper copy of the student survey is also available in your school's office. Please call your school if you have questions about how the student survey will be administered.

Parent/Guardian

To complete the SCDSB 2017-2018 School Climate Survey for parents/guardians please go to www.scdsb.on.ca and click on the link to the survey. If you do not have access to the internet and/or prefer to complete a paper version of the survey, copies of the parent/guardian survey are available in your school's office. Questions about the parent/guardian survey can be directed to SCDSB's Research and Decision Support Services team at research@scdsb.on.ca

The information that is collected will be used to help guide our school in creating and maintaining safe and supportive learning environments for all students. Thank you for your support!
