### ACTION:

A screenshot of the PowerSchool SIS "Student and Parent Sign In" page. The page has a dark blue header with the "PowerSchool SIS" logo. Below the header, there are two tabs: "Sign In" (selected) and "Create Account". The sign-in form includes a "Username" field with the placeholder text "SCDSB Username" and a "Password" field with the placeholder text "SCDSB Password". Below the password field is a link that says "Forgot Username or Password?". A "Sign In" button is located at the bottom right of the form.

3. Once students have arrived at the portal, they can sign-in using their SCDSB username and password. (Do NOT use @scdsb.on.ca; just the username). They can scroll the left menu bar to see the Grade 12 Pathways Survey icon:

\*The survey is administered through Google. If there are issues accessing the survey, have students sign out of their personal Google account and into their school Google account with the same credentials listed above.

4. Grade 12 Pathways Surveys will be available from January 18, 2021 until January 29, 2021. Teachers are asked to have students complete the survey during class in this timeframe. It should take no more than 10 minutes to complete.
